The valid OMB control number for this information collection is OMB No. 0607-0518. The time required to complete this data collection form, Form SF-SAC, is estimated to average 100 hours for large auditees (i.e., auditees most likely to administer a large number of Federal awards) and 21 hours for all other auditees. These amounts reflect estimates of the reporting burden on both auditees and auditors individually, meaning that the reporting burden is 100 or 21 hours for auditees and 100 or 21 hours for auditors. The burden hours include the time required to review instructions, obtain the needed data, and complete and review the information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: ERD Survey Comments 0607-0518, U.S. Census Bureau, 4600 Silver Hill Road, Room ERD-6H128, Washington, DC 20233. You may email comments to erd.surveys@census.gov. Be sure to use “ERD Survey Comments 0607-0518” as the subject.

The Office of Management and Budget (OMB) Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) Section 512 requires auditees to submit a completed Form SF-SAC, along with one complete reporting package, to the Federal Audit Clearinghouse (FAC). The reporting package is defined in 2 CFR 200.512(c). Indian Tribes and Tribal Organizations (as defined in the Indian Self-Determination, Education and Assistance Act (ISDEAA), 25 U.S.C 5304) which opt not to authorize the FAC to make the reporting package publicly available must submit the reporting package to pass-through entities as described in 2 CFR 200.512(b)(2); submissions to a pass-through entity should not include the Form SF-SAC.

Auditees should not submit a reporting package or Form SF-SAC if their Uniform Guidance audit report is included in another auditee’s report.

Example: If the audit of a state university’s Federal awards is included in the statewide single audit report and Form SF-SAC, the university should not submit a reporting package or Form SF-SAC to the FAC.

This Form SF-SAC version, dated 02-08-2022, is to be used for audits covering fiscal periods ending in 2019, 2020, and 2021. This Form SF-SAC is only available for submission on the FAC Website: https://facweb.census.gov/.

Audit threshold for Federal expenditures is $750,000 per year. The Uniform Guidance requires non-Federal entities that expend $750,000 or more a year in Federal awards to have an audit conducted in accordance with the Uniform Guidance.

The Form SF-SAC is not to be used by for-profit entities, foreign public entities, or foreign organizations. These entities should contact the Federal awarding agency for audit report submission instructions.

WHAT'S NEW

There are no changes to Form SF-SAC since OMB approval dated 3/25/2019
SUBMISSION TO THE FEDERAL AUDIT CLEARINGHOUSE

Auditees are required to submit through the FAC website. The only approved Form SF-SAC format is created using the Internet Data Entry System (IDES) option on the FAC website. The FACIDES website is located at: https://facides.census.gov/. Submission instructions are available on the IDES website.

Revisions
The instructions for submitting revisions are available on the IDES website.

Form Due Date
The audit must be completed and the data collection form and reporting package must be electronically submitted within the earlier of 30 days after receipt of the auditor’s report(s) or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day (2 CFR 200.512(a)). The Uniform Guidance does not permit Federal awarding agencies or pass-through entities to extend the due date.

WHO TO CONTACT WITH QUESTIONS
For technical audit questions, please contact the auditee’s Federal cognizant or oversight agency for audit. Contact information for each Federal agency is provided in Appendix III of the Compliance Supplement as “Federal Agency Single Audit Contacts”.

For questions related to a specific Federal program, please contact the Federal agency from which the award originated. Contact information for each program listed in the Compliance Supplement is provided in Appendix III of the Supplement as ”Federal Agency Program Contacts”.

For questions concerning the Form SF-SAC submission process or the form (e.g., how to report information on the form, reason for rejection of a form or reporting package, or how to amend or retract a previously accepted submission), contact the FAC at 866-306-8779 or GOVS.FAC.IDES@Census.gov. Frequently Asked Questions and User Manuals can be found on the IDES website.

DESCRIPTION OF FORM

PART I: GENERAL INFORMATION
This section is completed by both the auditee (items 1 through 5) and auditor (item 6).

Item 1 - Fiscal Period
Once a form has been started within the IDES, the four-digit year of the fiscal period cannot be changed.

(a) Start Date - Enter the first date of the fiscal period covered by the audit.
(b) End Date - Enter the last date of the fiscal period covered by the audit.

Item 2 - Type of Uniform Guidance Audit
Mark the appropriate box. Non-Federal entities that expend $750,000 or more in a year in Federal awards to have a single audit conducted, except when they elect to have a program-specific audit conducted in accordance with 2 CFR 200.507 (2 CFR 200.501).

Item 3 - Audit Period Covered
Mark the appropriate box. Annual audits cover 12 months and biennial audits cover 24 months. If the audit period covered is neither annual nor biennial, mark “Other” and provide the number of months covered in the space provided. The number of months must be entered as a two-digit number (e.g., for three months enter ‘03’). See 2 CFR 200.504 for guidelines about the frequency of audits.

Item 4 - Auditee Identification Numbers
(a) Auditee Employer Identification Number (EIN) - Enter the Auditee’s Employer Identification Number (EIN), the nine-digit taxpayer identification number assigned by the Internal Revenue Service (IRS). If the auditee was assigned multiple EINs, enter the primary EIN. Social Security Numbers must not be used.
(b) Are multiple EINs covered in this report? - Mark the appropriate “Yes” or “No” box to indicate if the auditee (or components of an auditee covered by the audit) was assigned more than one EIN by the IRS (e.g., a statewide audit covers many departments, each of which may have its own EIN).
(c) Auditee EIN Continuation Sheet - If “Yes” was marked for multiple EINs, list the additional EINs for all entities covered by the audit on the Auditee EIN Continuation Sheet. Report an EIN in this appendix if this submission is intended to satisfy the entity’s or component’s (e.g., State Agency, sub-entity) Single Audit requirement. Do not include separate EINs for any component that did not receive, expend, or otherwise administer Federal awards. Do not include the primary EIN in Part I, Item 4(c).

(d) Auditee Data Universal Numbering System (DUNS) Number - Enter the Auditee’s Data Universal Numbering System (DUNS) number, the unique nine-digit identification sequence assigned by Dun & Bradstreet (D&B) (available from the D&B registration hotline at 866-705-5711). All auditees who submit a Form SF-SAC are requested, but not required to report the DUNS number on Part I, Item 4(d) of the Form SF-SAC. If there is no DUNS number, leave this item blank.

Note: A DUNS number is required when applying for a Federal grant on Grants.gov or any other application method. For more information go to http://fedgov.dbn.com/webform.

(e) Are multiple DUNS numbers covered in this report? - Mark the appropriate “Yes” or “No” box to indicate if a component entity (e.g., State agency, sub-entity) spending Federal awards is covered in the audit report.

(f) Auditee DUNS Continuation Sheet - If “Yes” was marked for multiple DUNS numbers, list the additional DUNS numbers on the Auditee DUNS Continuation Sheet. Report a DUNS number in this appendix if it identifies a component entity (e.g., State Agency, sub-entity) of the auditee with Federal awards expended during the fiscal period included in the audit. Do not include separate DUNS numbers for any component entity that did not expend or otherwise administer Federal awards. The order of the DUNS listings is not important.

Note: Instructions for uploading additional DUNS numbers are available on the FAC IDES website.

Example 1: Component Unit reporting: The Smith County Sheriff’s Office applied for and expended its own Federal grants using its own DUNS number. However, the Smith
PART II: FEDERAL AWARDS
This section is completed by the auditee.

Items 1 and 2 include the required information for each Federal program to be presented in the Schedule of Expenditures of Federal Awards (SEFA), and notes thereto, regardless of whether audit findings are reported.

The IDES system allows all respondents to enter the Federal awards and Notes to the SEFA prior to the end of their fiscal period and the audit work being conducted. Once this information is entered, users may generate a customizable SEFA and Notes to the SEFA from the IDES to include in their reporting package.

Item 1 - Federal Awards Expended During Fiscal Period
List each program by Federal agency for which Federal awards were expended. List individual programs in each row.

Note: If the SEFA has already been created, list the programs in the same order as shown in the SEFA in the reporting package.

While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple Federal award years, the amount of Federal awards expended for each Federal award year may be listed separately, as stated in 2 CFR 200.510(b). As a best practice, loan and non-loan components within the same program should be listed separately. If an indirect award has multiple pass-through entities, these should each be entered on separate award lines with the specific amount expended from that pass-through entity. If multiple lines are entered for a Federal program, then the amount passed through to subrecipients must only be the amount relevant to that specific line on the data collection form.

CFDA Number
Most Federal programs are listed in the Catalog of Federal Domestic Assistance (CFDA). A CFDA number consists of a two-digit prefix and a three-digit extension separated by a period. If this information is unavailable, consult the Federal awarding agency or pass-through entity to obtain this number. The CFDA catalog is available at: https://beta.sam.gov. If the Federal program does not have a CFDA number, follow the specific instructions below.

(a) Federal Awarding Agency Prefix - Enter the first two digits of the CFDA number. The CFDA prefix identifies the Federal awarding agency listed in Appendix I of these instructions. If the Federal awarding agency does not have a CFDA prefix, use one of the prefixes (noted with an asterisk) assigned for reporting purposes only.

(b) CFDA Three-Digit Extension - The period from the CFDA number is automatically assumed and must not be entered.

Programs with a CFDA Number
If the Federal program is listed in the CFDA, enter the last three digits of the CFDA number in the CFDA Three-Digit Extension field.

Programs with No CFDA Number or the CFDA Number is Unknown
If the three-digit CFDA extension is unknown, enter a "U" followed by a two-digit number in the CFDA extension to identify one or more Federal award lines that form the program. This will allow the IDES to automatically calculate the Federal Program Total and Cluster Total (Part II, Items 1(g) and 1(h)).
For more information on Federal program determination when a CFDA extension is unknown, see 2 CFR 200.42(b).

**Example:** The first Federal program with an unknown three-digit extension would be U01 for all award lines associated with that program, the second would be U02, and so on.

**Note:** The two-digit number can start over for each Federal Agency or continue throughout the remainder of the data collection form.

**Programs that are part of the R&D Cluster and the CFDA Number is Unknown**

If the Federal program is part of the Research and Development (R&D) cluster and the three-digit CFDA extension is unknown, enter “RD” in the CFDA Three-Digit Extension field.

**Note:** If the Federal program is part of the R&D cluster and the CFDA Three-Digit Extension is known, enter the CFDA Three-Digit Extension.

**Additional Award Identification** - Enter other data used to identify the award which is not a CFDA number (e.g., program year, contract number, state issued numbers, etc.). Part II, Item 1(c) is a required field if Item 1(b) is unknown. If Item 1(b) has a valid CFDA Extension, then Item 1(c) is optional.

**Federal Program Name** - Enter the name of the Federal program as shown in the CFDA. If the program is not listed in the CFDA, a description of the award recognizable by the Federal awarding agency or pass-through entity should be entered.

**Note:** If a valid Federal Agency Prefix and CFDA Three-Digit Extension combination is entered, the IDES will auto-generate the Federal Program Name with the name of the Federal program from the CFDA catalog. This information can be edited.

**Amount Expended** - Enter the amount of expenditures for each Federal award. Round to the nearest whole dollar. This will allow the IDES to automatically calculate the total Federal awards expended as determined in accordance with 2 CFR 200.502.

**Cluster Name** - Enter the name of the cluster of programs using the drop-down menu. If the program is not part of a cluster, mark “N/A” for no cluster. If the program is part of a state cluster, mark “State Cluster” and enter the State Cluster name in the box provided within the IDES. If the name of the cluster does not appear in the list, mark “Other Cluster” and enter the cluster name in the box provided within the IDES.

**Note:** Please notify the FAC if you discover clusters that do not appear in the drop-down menu (not including State Clusters).

**Federal Program Total** - The IDES will auto-generate the total Federal awards expended for each individual Federal program as required by 2 CFR 200.510(b)(3) by summing the amount expended for all line items with the same CFDA Number.

**Cluster Total** - The IDES will auto-generate the total Federal awards expended for each cluster of programs as required by 2 CFR 200.510(b)(3) by summing the amount expended for all line items with the same Cluster Name.

**Loan Programs**

Loan or loan guarantees (loans) are described in 2 CFR 200.502. In addition to including the total Federal awards expended for loans, the balances outstanding at the end of the audit period must be identified in the notes to the schedule as required by 2 CFR 200.510(b)(5).

**Loan/Loan Guarantee (Loan)** - Mark either “Y” for Yes or “N” for No to indicate whether the program is a Federal loan or a Federal loan guarantee.

**If Loan, the End of the Audit Period Outstanding Loan Balance** - If “Y” was marked for loan/loan guarantee, enter the loan or loan guarantee (loan) balances outstanding at the end of the audit period as required by 2 CFR 200.510(b)(5). If the outstanding loan balance is not applicable, enter “N/A”.

**Example:** Enter “N/A” for loans made to students of an Institution of Higher Education (IHE) where the IHE does not make the loans (2 CFR 200.502(c)).

**Federal Award Source**

If an award was not received directly from the Federal awarding agency (received as a subrecipient), the name of the pass-through entity and identifying number assigned by the pass-through entity are required (2 CFR 200.510(b)(2)).

**Direct Award (Direct)** - Mark either “Y” for Yes or “N” for No to indicate whether the award was received directly from a Federal awarding agency. When an award consists of both direct and indirect funds, list the direct expenditure detail on one line and the indirect expenditure detail on a second line.

**Note:** When a single audit reporting entity receives direct awards and transfers them to another part of the same single audit reporting entity, these awards must still be reported as direct (e.g., transfers within the single audit reporting entity do not create a pass-through entity/subrecipient relationship).

**If Not Direct, list Name of Pass-through Entity** - If “N” was marked for direct award, enter the name of the pass-through entity as required by 2 CFR 200.510(b)(2). If a program has multiple pass-through entities, multiple award lines should be entered, with each award line entered having a unique pass-through entity name.

**Identifying Number Assigned by the Pass-through Entity, if assigned** - If “N” was marked for direct award, enter the identifying number assigned by the pass-through entity, if assigned, as required by 2 CFR 200.510(b)(2). If a program has multiple pass-through identifying numbers, the data collection form will accept multiple identifying numbers assigned by each pass-through entity. If there is not an identifying number assigned by the pass-through entity, enter “N/A” in this field.

**Passed Through**

If an award was passed through to any subrecipients, the total amount provided to subrecipients for each Federal program is required (2 CFR 200.510(b)(4)).

**Federal Award Passed Through to Subrecipients** - Mark either “Y” for Yes or “N” for No to indicate whether funds were passed through to any subrecipients for the Federal award.

**Note:** When a single audit reporting entity receives direct awards and transfers them to another part of the same single audit reporting entity, these awards must not be reported as passed through to subrecipients (e.g., transfers within the single audit reporting entity do not create a pass-through entity/subrecipient relationship).
(o) If Passed Through, provide Amount Passed Through - If “Y” was marked for award passed through to subrecipients, enter the amount passed through to subrecipients as required by 2 CFR 200.510(b)(4). The amount passed through is included in the amount expended entered in Part II, Item 1(e). If multiple lines are entered for a Federal program, then the amount passed through to subrecipients must only be the amount relevant to that specific award line on the data collection form.

Item 2 - Notes to the Schedule of Expenditures of Federal Awards (SEFA)

Note: If the auditee qualified as an Indian Tribe or Tribal Organization (as defined in the Indian Self-Determination, Education and Assistance Act (ISDEAA), 25 U.S.C 5304) and opts not to authorize the FAC to make the reporting package publicly available, the text in Part II, Item 2 will not be publicly displayed on the Form SF-SAC. Instead, the text “Exemption for Indian Tribes” will be displayed in Part II, Item 2 for each note. However, for Note 2, the “Yes”, “No”, or “Both” answer will still be displayed publicly.

Note: Due to formatting restrictions in the FAC database, the text input in this item may not convey the full meaning of the Notes to the SEFA. Users should refer to the reporting package to view the text as it was intended.

Note: If the Notes to the SEFA has already been created, enter the text as it appears in your Notes to the SEFA, excluding charts or tables. If there are any charts or tables within the text, enter “See the Notes to the SEFA for chart/table” in place of the chart or table within the text. The rest of the text is required to be entered. Do not enter “See reporting package” in lieu of the text of the notes to the SEFA. If there are any footnotes within the text, enter “See Notes to the SEFA for footnote” at the end of the text in place of any footnotes.

Note 1: Describe the significant accounting policies used in preparing the SEFA. - Enter a description of the significant accounting policies used in preparing the SEFA (2 CFR 200.510(b)(6)). If there are multiple notes covering the significant accounting policies, all applicable notes from the reporting package should be copied and pasted into this item.

Note 2: Did the auditee use the de minimis cost rate? - Mark the appropriate “Yes”, “No”, or “Both” box (2 CFR 200.414(f)), then enter an explanation. The explanation will auto-populate based on the box that is marked. This auto-populated text will be editable.

If “Yes” is marked, the following statement will auto-populate in the explanation box for Note 2:

“The auditee used the de minimis cost rate.”

If “No” is marked, the following statement will auto-populate in the explanation box for Note 2:

“The auditee did not use the de minimis cost rate.”

If “Both” is marked, enter the explanation text manually.

Example: “Both” should be marked if a State as a whole uses a negotiated indirect cost rate of 7%, but a component included in the State’s single audit report uses a 10% de minimis cost rate.

Additional Notes
Enter all additional notes. Availability will be provided to enter additional numbered notes and titles for those notes into the SEFA, and there is no limit to the number of notes that can be entered. The automatic numbering of the additional notes may differ from the note number in the reporting package. If the note in the reporting package has been identified with a note number, enter that note number from the reporting package in the title field of the additional note.

Note: This section is intended to capture the loan/loan guarantee note, if applicable, as Note 3, as well as all other additional SEFA notes included in the reporting package.

Note 3: Loan/loan guarantee outstanding balances - If “Y” was marked for Part II, Item 1(i), enter the loan/loan guarantee information, including the loan balances outstanding at the end of the audit period (2 CFR 200.510(b)(5)). The outstanding loan balances will be auto-generated based on the information entered into Part II, Item 1 (a)-(d) and (j) for awards identified as being a Federal loan or loan guarantee. The auto-generated text may be edited as needed to match the loan information from the Notes in the reporting package. If “N” was marked for Part II, Item 1(i), enter the first additional note in this item.

PART III: INFORMATION FROM THE SCHEDULE OF FINDINGS AND QUESTIONED COSTS
This section is completed by both the auditee and auditor.

All information for this section should be obtained from the Schedule of Findings and Questioned Costs and the opinions on the financial statements and reports in accordance with the Generally Accepted Government Auditing Standards (GAGAS) related to the financial statement audit, which are completed by the auditor, and the Summary Schedule of Prior Audit Findings, which is completed by the auditee.

Item 1 - Major Program Information and Audit Findings
The information to complete this item is obtained from the Schedule of Findings and Questioned Costs prepared by the auditor.

Major Program

(a) Major program (MP) - Mark either “Y” for Yes or “N” for No to indicate whether the Federal program is a major program, as defined in 2 CFR 200.518.

(b) If MP, Type of Audit Report - If “Y” was marked for major program, enter one letter (U, Q, A, or D) corresponding to the type of audit report on the major program. Enter either “U” for Unmodified opinion, “Q” for Qualified opinion, “A” for Adverse opinion, or “D” for Disclaimer of opinion. For clusters of programs, the type of audit report must apply to the cluster as a whole. Therefore, the same type of audit report must be entered for all programs in a cluster. If the program is not a major program, leave the “Type of Audit Report” blank.

Note: If multiple lines are listed for the same CFDA number, all of these lines must have the same major program determination and type of audit report on major program.

(c) Number of Audit Findings - Enter the number of audit findings for each Federal program. If there are no audit findings, enter “0” (zero).

Example: If the Federal program is part of a cluster where an audit finding references some, but not all, of the CFDA numbers within the cluster of programs (e.g., Research and Development), only list the finding on the applicable award lines with the CFDA numbers referenced in the audit finding.
Item 2 - Financial Statements
The information to complete this item is obtained from the opinions on the financial statements and reports in accordance with GAGAS related to the financial statement audit prepared by the auditor.

(a) What were the results of the auditor’s determination of whether the financial statements of the auditee were prepared in accordance with generally accepted accounting principles (GAAP)? - Mark any combination of “Unmodified opinion”, “Qualified opinion”, “Adverse opinion”, or “Disclaimer of opinion”, as applicable.

Audits of state and local governments prepared in accordance with GAAP often result in the auditor providing multiple opinions on various opinion units within the financial statements. In situations where there are unmodified opinions on some opinion units and modified opinions on others, multiple boxes should be marked in response to this question.

If the financial statements were not prepared in accordance with GAAP, but were instead prepared in accordance with a special purpose framework as defined in AU-C Section 800 - “Special Considerations - Audits of Financial Statements Prepared in Accordance With Special Purpose Framework”, mark “Special Purpose Framework” for purposes of completing this question and then mark the box which says “Financial statements were not prepared in accordance with GAAP but were prepared in accordance with a special purpose framework”.

Items (i), (ii), and (iii) can only be completed if the statements were prepared in accordance with a special purpose framework to provide more information about the special purpose framework and auditor reporting thereon.

(i) What was the special purpose framework used? - Mark the appropriate box to indicate whether the special purpose framework used was a cash, tax, regulatory, contractual, or other basis of accounting using the definitions in AU-C Section 800.

(ii) Was the special purpose framework used as a basis of accounting required by state law? - Mark the appropriate “Yes” or “No” box. Mark “No” if the special purpose framework was permitted by state law but not required.

Note: The response to this question will affect whether an entity can qualify as a low-risk auditee in the two subsequent audit periods (2 CFR 200.520(b)).

(iii) What was the auditor’s opinion on the special purpose framework? - Mark any combination of “Unmodified opinion”, “Qualified opinion”, “Adverse opinion”, or “Disclaimer of opinion”.

(b) Is a “going concern” emphasis-of-matter paragraph included in the auditor’s report? - Mark the appropriate “Yes” or “No” box.

(c) Is a significant deficiency in internal control disclosed? - Mark the appropriate “Yes” or “No” box.

(d) Is a material weakness in internal control disclosed? - Mark the appropriate “Yes” or “No” box.

(e) Is a material noncompliance disclosed? - Mark the appropriate “Yes” or “No” box.

Item 3 - Federal Programs
The information to complete this item is obtained from the opinions on the financial statements and reports in accordance with GAGAS related to the financial statement audit prepared by the auditor and the Summary Schedule of Prior Audit Findings prepared by the auditee.

(a) Does the auditor’s report include a statement that the auditee’s financial statements include departments, agencies, or other organizational units expending Federal awards which are not included in this audit? - Mark the appropriate “Yes” or “No” box. According to AICPA Audit Guide “Government Auditing Standards and Single Audits”, if the audit of Federal awards did not encompass the entirety of the auditee’s operations expending Federal awards, the operations that are not included are identified in a separate paragraph following the first paragraph of the report on major programs.

(b) What is the dollar threshold used to distinguish Type A and Type B programs? - Enter the dollar threshold used to distinguish between Type A and Type B programs as described in 2 CFR 200.518(b)(1), or 2 CFR 200.518(b)(3) when a recalculation of the Type A threshold is required for large loan or loan guarantees. The dollar threshold must be $750,000 or higher. Round to the nearest whole dollar.

(c) Did the auditee qualify as a low-risk auditee? - Mark the appropriate “Yes” or “No” box (2 CFR 200.520).

(d) Indicate which Federal Agency(ies) have prior audit findings shown in the Summary Schedule of Prior Audit Findings related to direct funding. - List the appropriate Federal agency prefix(es) or enter “None”. Include the Federal agency(ies) only if the Summary Schedule of Prior Audit Findings reports the status of any audit findings relating to direct Federal awards expended.

Item 4 - Federal Award Audit Findings
The information to complete this item is obtained from the Schedule of Findings and Questioned Costs prepared by the auditor and directly corresponds to the number of audit findings indicated in Part III, Item 1(c). For each audit finding noted in Part III, Item 1(c) the details will be entered in Part III, Item 4. If Part III, Item 1(c) is “0” (zero), no information will appear for that Federal Award in Part III, Item 4. This section is used to collect only Federal award audit findings, not other findings such as findings related to the financial statements.

Row Number from Part II, Item 1 - This number allows each audit finding to correspond to the CFDA line on the SEFA.

(a) CFDA Number - The CFDA number as shown in Part II, Items 1(a) and 1(b) will be auto-generated when Part III, Item 1(c) is greater than zero.

(b) Additional Award Identification - The Additional Award Identification as shown in Part II, Item 1(c) will be auto-generated when Part III, Item 1(c) is greater than zero.

(c) Federal Program Name - The name of the Federal program as shown in Part II, Item 1(d) will be auto-generated when Part III, Item 1(c) is greater than zero.

(d) Amount Expended - The amount expended as shown in Part II, Item 1(e) will be auto-generated when Part III, Item 1(c) is greater than zero.

(e) Audit Finding Reference Number - Enter the audit finding reference number for the audit finding. The required format for the audit finding reference numbers is the four-digit audit year (Part I, Item 1), a hyphen and a three-digit number (e.g., 2019-001, 2019-002, ..., 2019-999). Audit finding reference numbers
on the Form SF-SAC must match those reported in the Schedule of Findings and Questioned Costs and applicable auditor’s reports.

(f) Type(s) of Compliance Requirement(s) - Using letters from Part 3 of the Compliance Supplement, or P (for “Other”), list all type(s) of compliance requirement(s) that apply to the audit findings. The Type(s) of Compliance Requirement(s) is the requirement(s) the auditor was testing which generated the audit finding.

Note: Letters from Part 3 of the Compliance Supplement include A-N, excluding D and K. All Types of Compliance Requirements are defined below:

A. Activities allowed or unallowed
B. Allowable costs/cost principles
C. Cash management
D. Reserved
E. Eligibility
F. Equipment and real property management
G. Matching, level of effort, earmarking
H. Period of performance (or availability) of Federal funds
I. Procurement and suspension and debarment
J. Program income
K. Reserved
L. Reporting
M. Subrecipient monitoring
N. Special tests and provisions
P. Other

Type of Audit Finding
Part III, Items 4(g)-(k) are used to capture the type of finding.

Compliance Audit Findings

(g) Modified Opinion - Mark either “Y” for Yes or “N” for No to indicate whether the auditor identified the audit finding in the Report on Compliance for Each Major Federal Program as the basis for a Modified Opinion.

(h) Other Matters - Mark either “Y” for Yes or “N” for No to indicate whether the auditor identified the audit finding in the Report on Compliance for Each Major Federal Program as a compliance audit finding in the Other Matters section of the report.

Internal Control Audit Findings

(i) Material Weakness - Mark either “Y” for Yes or “N” for No to indicate whether the auditor identified the audit finding in the Report on Internal Control over Compliance as a Material Weakness.

(j) Significant Deficiency - Mark either “Y” for Yes or “N” for No to indicate whether the auditor identified the audit finding in the Report on Internal Control over Compliance as a Significant Deficiency.

(k) Other Audit Findings - Mark “Y” for Yes if “N” is marked in all four columns (g), (h), (i), and (j). Mark “N” for No if “Y” is marked in any of the columns (g), (h), (i), or (j).

The following chart shows the nine different possible combinations of findings for columns (g) through (k).
